

July, 2010

Dear Parents,

We encourage those of you whose children are required to have a new physical and immunization form, **(K, 7th grade, and all new to Rosarian)** to visit your physician's office before the summer rush begins.

In order to facilitate your child's admittance on the first day of school, both health and immunization forms must be turned into the office **before August 9th. Admission will be denied on the first day of school if the proper forms are not in the office.**

The forms are available only in the physician's office. The blue immunization form should be **completely** filled out by the doctor. The back of the yellow physical form must be filled out by **the parent.**

Thank you for your prompt attention to this very important health matter.

Rosarian Office
