August 27 **WELCOME SOCIAL** Arrigo Grand Gallery & Schar Hall - 6:30pm

The **Welcome Social** is a parents only event hosted by RAFA. It kicks off the school year by gathering together current families and new families. New families are introduced and information about the events of the year is presented by the RAFA event chairs. Immediately following the Social, our Rosarian Community gathers for dinner at Café Sapori for the second event of our Culinary Adventure Series. Current families are encouraged to invite new families to dine with them. Café Sapori will be donating a very generous portion of each check to Rosarian, so eat, drink and automatically donate! This event is always sold out so make your reservations for 7:30pm or later by calling (561)805-7313.
